SLAUGHTER OF THE INNOCENT

Why abortion affects us all

Abortion - killing off the Human race.

With growing calls to legalise abortion up to birth, come to VfJUK's important conference defending the right to life of the unborn. Find out why abortion affects us all.

Speakers include, among others:

The Rt Hon Sir Jeffrey Donaldson MP

Member of the All-Party Parliamentary Pro-Life Group;
Member of Parliament since 1997.

Professor John Wyatt

Professor of Ethics and Perinatology, University College London;
Consultant neonatologist for more than 20 years.

The Rt Revd Dr Michael Nazir-Ali

Former Bishop of Rochester and former Member of the House of Lords, who also served as a Member of the Human Fertilisation and Embryology Authority. Author of more than a dozen books. Currently President of OXTRAD.
